OUTDOOR COLLECTION

I prodotti della COLLEZIONE OUTDOOR ZEUS sono progettati per l'esterno. Qualora vengano lasciati tutto il tempo esposti agli agenti atmosferici, senza alcuna protezione, il materiale si modificherà, cosa normale per tutti i prodotti per esterno. In inverno suggeriamo di inclinare le gambe dei tavoli di un paio di cm, così che l'acqua scorra e non ristagni.

ART

I prodotti della collezione SLIM IRONY nella versione ART – sia con piano in lamiera sia con piano in vetro – sono volutamente irregolari e non omogenei. Vengono tutti eseguiti a mano, si tratta quindi di pezzi unici, non vi è mai un pezzo uguale a un altro. Non si può prevedere il risultato finale del trattamento ART.

OUTDOOR COLLECTION

Products of ZEUS OUTDOOR COLLECTION are designed to be used outdoor. If left all time directly in contact with atmospherical agents without any protection, they will change – as it happens to all outdoor products. During winter we suggest to tilt the table legs of some cm in order to have water flowing and not becoming stagnant.

ART

Products of SLIM IRONY collection in the ART version – both with sheet steel and glass top – are intentionally irregular and not homogenous. These are all made by hand and are therefore all unique pieces, no one the same as the others. It is not possible to foresee the final result of the ART treatment.
