

# Design week 2018 / Press Release

**ZEUS**, landmark of avant-garde and minimalist design since ever, invites you to visit **DESIGN ENSEMBLE**: a constant evolving project, connecting every year new realities to be discovered.

Hereafter the brands that will exhibit their products during the Design Week 2018: **ZEUS** – design products / **SHUJ** – home textile / **CC-TAPIS** – contemporary handknotted rugs / **ARTPLAYFACTORY** by Angela Ardisson – lighting between art and design.

Topic of the 2018 edition will be **"MATERIA"**, highlighted by designers' handwork and projects. It will be the occasion to discover in person semi-handicraft production techniques, the research of new, yet traditional materials and high quality finishing and details, the distinctiveness of the thirty-year old tradition of ZEUS and of all other brands joining the event.

We will also host **RI-DESIGN** – social creativity lab – part of **DESIGN SENSIBLE** project.

We look forward to meeting you in **ZEUS** showroom, the historical Blue Garage of the 50's, located in Corso San Gottardo, right in the heart of the Porta Ticinese Canals' district. We will be open already from April 16th till April 23rd, from 10 am to 10 pm non stop.

Cocktail every day.
